RE: Sanction Fees & League Dues 2019/20

Sanction fees and league dues in the amount of \$15.00 per player, are to be paid by **December 7, 2019**. Please fill out the “League Dues” envelope provided, within your teams notebook, and drop it at any of the designated drop locations. A star will be placed by your name on the weekly stat sheet, to indicate that you have paid, and are a sanctioned player within the VNEA. This allows you to participate in any VNEA sanctioned event, both States and International tournaments.

Failure to pay your Sanction/League dues will result in the following actions...

- You cannot play at the MI State tournament
- You cannot play at the VNEA International tournament in Vegas
- You cannot play in any Bay City Charter 423 playoff matches
- You will not receive any monies due you at the end of the year banquet
- You will not be eligible to receive any individual trophies at the banquet
- Your name will not be added to any team plaques

If you have not paid your sanction/league dues by the aforementioned date, you still can pay them, but no later than the last week in January 2020. A late fee of **\$5.00** will be added to the amount due, hence, **\$20.00** after December 7, 2019. This date allows us to still try and get you sanctioned by VNEA headquarters.

All monies collected by default players, will be added to the Leagues general fund.

Thank you for your participation.
